The Junior League of Greensboro is an organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

EverGreene is the Junior League of Greensboro's signature publication. Behind the cover, you will find a magazine dedicated to the mission-driven efforts of the Junior League in the Greensboro, as well as featured interest stories. Approximately 2,000 copies are distributed to Junior League members, advisors, donors, community partners, elected officials, and local businesses. By advertising your business in the *EverGreene*, you ensure that your advertisement is seen by the women in our organization, our friends and family, and the community at large.

We are in year three of our multi-year partnership with Cone Elementary, a designated low-performing school here in Greensboro. By supporting the Junior League of Greensboro, you are helping us to continue making a difference in our community. We thank you for partnering with us to make a positive impact in Greensboro.
