

MARCH 23, 2018

8th Annual

Junior League of
Greensboro Women's
Leadership Summit

**GREENSBORO
DOWNTOWN MARRIOTT**

One day, over 300 women, countless possibilities...

Join hundreds of local women for this day-long leadership and professional development conference. The Junior League of Greensboro is committed to developing the potential of women. We believe in improving the community through effective action and leadership. Our Women's Leadership Summit is open to all women in Greensboro who want to connect, collaborate, and challenge themselves in 2018.

Attendees will have the opportunity to select one of the conference tracks below and attend three sessions led by experts in that field, or take one session in each track:

Disruptive Thinking: Challenging the Status Quo

Personal Development: Building Self-Awareness, Motivation, and Connection

Risk and Reward: Stepping Out of Your Comfort Zone as an Innovator

In addition to these sessions, we are pleased to feature the keynote address: "Network Like You Mean It" by speaker, Denise Ryan. Denise's infectious energy and forthright candor are her trademarks. Audiences love her humor and the tools she gives them to bring the fire into their lives—both personally and professionally.

The Women's Leadership Summit is a major fundraiser for the Junior League of Greensboro (JLG), and all proceeds from the Summit support the JLG's mission to improve the community through the action of trained volunteers and to develop the potential of women.
